

STEFANI ESTATE

2007 VINO ROSSO

Tasting Notes

Grapes are hand picked from Stefani family estates in both Heathcote and Healesville and made into wine with the utmost care and dedication at our Heathcote winery

This wine is the classic Australian blend of Shiraz [60%] and Cabernet Sauvignon [40%].

It has a dark dense colour and a nose of red berry fruits and black pepper.

It is concentrated and mouth filling with a lovely silky tannin finish.

This wine is made to be enjoyed now, but will also reward cellaring over the next five years.

Winemaker Mario Marson

This wine was made from selected grapes grown at Stefani premium vineyards. Vino Rosso differs from our individual varietals “Estate” wines as it is a wine that is blended from both vineyards and perfectly captures the benefits of both regional characteristics – elegance and strength. It is our only screw cap closure wine, befitting the Bistro/Café easy drinking style of the wine that it is.

Matured in French Oak Bottled December 2008

556 cases produced

Good colour; an interesting savoury style, with a distinctly European feel; medium-bodied with red fruits prevailing, the tannins are plentiful; chewy and mouthfilling. Screwcap. 14% alc. **Rating 90 Drink 2014**
